2022 ANNUAL REPORT

# A Word From Our Executive Director

**R. Patrick Hayle**  
**Executive Director/  
CEO**

My dear friends and supporters:

As we reflect on the past year and all that has been accomplished, my heart is full! In some ways, 2022 was a year of restoration. We were repairing damages from the fallout left from the pandemic years in our country that affected so many of our neighbors. It required extra funds, new staff and even modifications to our programs to accommodate the struggles we met on a daily basis.

In addition to that, we were presented with new challenges. Over 300 households reached out for Rapid Rehousing and Eviction Prevention assistance, this compared to the 125 inquiries in 2021. These programs provide rental assistance to help Clay County residents find a home or remain in theirs. Although the funding was available for these programs, the combination of extremely high rent increases and the shortage of affordable housing, many families could not benefit from this assistance. And, if they were able to find housing with our assistance, their income alone could not sustain that level of rent when the assistance came to an end.

You see, our programs serve not only those who are in poverty but also the 37% of Clay County who are unable to make ends meet, although they DO have homes and employment. Their income does not allow them to meet the basic necessities of life, as proven in the United Way's A.L.I.C.E.\* study. This could be the cashier at the store where you shop, or the gentleman driving your Uber, or the friend in your Bible Study. It could be your

neighbor's son, who is learning a trade as an apprentice, and cannot afford a home for his family and young children. Or the single mom who is struggling to finish a certification, work a job, and has to choose between food or childcare. Even some of our first responders fall into the ALICE group. That is why Mercy is standing in the gap and we want to do more even in the midst of uncertainty and unpredictable times we are living in.

What comes to my mind is Proverbs 3:5-6, "Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight." If you have not read that entire chapter of Proverbs 3, I highly recommend it. We are encouraged to seek Godly wisdom in the face of uncertain times and even sudden disaster. God will guide us through. It goes on to say, "Do not withhold good from those to whom it is due, when it is in your power to act." And that is where we all come in. Our power to Act.

This annual report reflects on the call that so many in our community have answered resoundingly, with ACTION. This is the only way Mercy is able to continually serve and respond to so many needs in Clay County. You are the amazing souls who take action when you are called, and continually show up. I thank you. We lock arms with you, and we have faith that we all will continue to fight the good fight together through any storm we encounter as we move forward in the new year – Transforming Lives and Building Community!!

May God bless you all!

A handwritten signature in blue ink that reads "Patrick".

\*Asset Limited, Income Restrained, Employed

A large, simple wooden cross is mounted on a textured stone wall. The cross is made of two light-colored wooden beams. The stone wall is composed of rectangular blocks with visible mortar lines. The lighting is soft, creating subtle shadows on the wall.

## **Our Mission**

**Mercy Support Services is a Christ-centered organization that serves the people of Clay County who are circumstantially in need by providing services that guide them to self-sufficiency through an active network of compassionate-hearted people and organizations.**

## Adult Self-Sufficiency Program

Supporting transformation of those in crisis who seek an independent and sustainable future, while removing barriers that restrict progress.

when  
**YOU**<sup>r</sup>  
*imp***ACT**

2022 Volunteer of the Year**

*Why do I choose Mercy?*

“I choose Mercy because *people matter*. Sometimes our job is to plant the seed, other times we get the pleasure to come alongside them and show them there is a better way. I get the opportunity and privilege to work with some of the most caring, fun, and loving people and this is the reason I am devoted to this program - we have an amazing team. We have laughed, cried, and prayed together, sometimes all in one meeting. We never stop learning, we never stop caring. I also get the opportunity to witness firsthand “ONLY GOD” moments, like when a father who has not worked for years is offered a job on the spot, then the apartment they looked at with a 5-month waiting list is suddenly available and this apartment gets filled with a gracious gift of furniture. It is the first time in their 20 years together they have a place of their own. Their story only gets better! Their 18 yr old son is now finding his way, working for the first time. All PRAISE TO GOD! Last year we served 3,314 individuals and that is not possible without a dedicated staff and group of volunteers. Being a part of something that is making an impact in our county is time well spent...it's God's work!”

Mercy Donors & Volunteers

“We choose Mercy because we share their vision to prayerfully assist local families in meeting their physical, financial and spiritual needs. We especially support the emphasis on sustainable self-sufficiency. Perhaps most importantly, we trust the people of Mercy to use whatever resources we are able to contribute (time, talent, treasure) in an efficient manner that pleases and honors God.” -the Walkers

**Andrea Fogarty**  
Donor & Night of Hope  
Committee Chair

“The reason I choose Mercy is quite simple - it's the mission. Good people can find themselves in a situation where they need a bit of help. As a single, working mother in my own past, I understand just how close that line is. Taking the time to spread the word and help Mercy keep the lights on is what I do!” -Andrea

“Serving Mercy has given me the opportunity to partner with an organization that not only helps people in need, but also helps them break out of the cycles and patterns of life that are crating their neediness. Unlike many other nonprofits, Mercy is providing the tools to repair one's brokenness and not allowing them to remain comfortable in it.” -Brett

A single mom with a newborn and a 15-year-old forced to live with their grandmother in a one-room, run-down shed due to recent circumstances. Our Care Agent took immediate action to find relevant solutions by contacting our community partners. Within a week, she secured housing. Days later, she was connected to a local ministry for furniture and another ministry for household goods and clothing. A local women's group donated funds for essential items, and a local food pantry stocked her refrigerator and pantry. They were finally able to get a good night's rest thanks to Community!

A single mom and her 15-year-old son were living in a tent at a local state park. One of our Ministry Partners contacted us for help. Her client was yearning for a deeper walk with Christ and a new beginning after a recent crisis. Within 3 weeks of her first visit to Mercy, they started a new life in a safe, affordable home together. She was cared for, heard, loved, and prayed for during her time with us and will receive Mercy's financial coaching as she continues her path to self-sufficiency.

A young man who lost both parents to drugs and transitioning into adulthood with no support. By living in our Supportive Home with a healthy, married couple, he has been able to learn important life skills, healthy relationships, time management, financial control, work ethic, and what life beyond his previous circumstances can look like. He will graduate in the Spring and move into his next phase by attending trade school. He's got a whole new outlook on life and his own journey has just begun.

# A Word From Our 2022 Board Chair

**Dr. Robert Cowie**  
Board Chair, 2020-2022

Greetings!

As we reflect on the past year, we had hoped to break ground in the spring of 2023. However, we were advised recently by a professional NPO fundraiser to refrain from the site work until all funds have been raised for the first building. We are heeding the counsel and redoubling our efforts with the Capital Campaign. The Village will be successful through the partnership of, not only individuals, but also businesses, foundations, and grant opportunities.

Our new Heritage Partner planned giving program will also provide another avenue for support and ensures its security into the future. In the meantime, the need for housing grows and our programs thrive when we are able to place clients, so the Board is exploring opportunities to expand our services until the Village is completed.

On a personal note, December 31, 2022 marked the end of my 9 years on the Board, the last two as Board Chair. In accordance with our By-Laws, directors are only eligible for three consecutive 3-year terms but will remain as a Director Emeritus and continue to work as the

Capital Campaign Chair. I have been blessed by the time I have had with Mercy and the spiritual growth I have experienced – by those on the Board, Patrick, and the incredible staff he has assembled, the volunteers and donors, and especially the clients we have helped. Thank you all for all you do!

**2022**  
**LEADERSHIP**

R. Patrick Hayle  
Executive Director/CEO

“When I finished my MBA in 1986, it was clear that God was calling me from counting beans to making beings count. In 2010 as my assignment at City Rescue Mission ended, even as I was considering going in another direction, He did not change the Call and here I am!”

Dena Collins  
Chief Operating Officer

“I know this is my calling because of my personal testimony. Reflecting back, I realize that through my own life struggles, healing, restoration, and transformation; along with developing me through my corporate America experience and ministry involvement over the years, God was grooming me to support the mission and vision of Mercy Support Services all along. My life’s passion is to see the lives of others transformed through the power and love of Jesus Christ. Being a part of Mercy Support Services allows me to live out that passion!”

Jolynn Carter  
Development Director

“I have a heart for Mercy because I strongly believe God calls us to not just help others but help others Thrive! Helping raise funds for our critical Programs is truly a gift God has allowed me to be a part of.”

Phyllis Simpson  
Growth & Enrichment Manager

“I have a heart for Mercy because at the core of who we are and what we do, is who I am personally called to be. As a Christian transformational life coach who counsels, I’m called to walk alongside of our clients empowering them to live a sustainable independent future.”

when  
**YOU'RE  
CALLED**  
*lives are impacted*

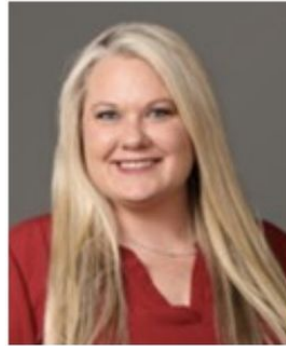

**2022**  
**STAFF**

Danielle Bridges  
Programs Associate

Brandi Tuck  
Programs Associate

Cynthia Hale  
Staff Accountant

Melissa Whitaker  
Development Associate

Laura Hardegree  
Executive Assistant

“We have a heart for Mercy because Mercy has a heart for Jesus and our community! We are on a mission to walk out His great commission to love God first and love our neighbors as ourselves. We know this is our calling because God has woven the passion to love people, as they are, into the fiber of our souls and made it the desire of our hearts. Getting to be the hands, feet and heart of Jesus is one of the greatest honors and passions of our lives. Just like the little drummer boy we stand before Jesus in awe and wonder, overwhelmed with gratitude, knowing that we don't have a gift fit for a King, yet somehow understanding we do have an instrument to play. So, we will spend our days saying yes to love and doing our best to play our drums for our Savior.”
